ABOUT

# Royal Thai

As carpet designers and collaborators, Royal Thai's inspiration draws from many worlds—from fine art, fashion and architecture to our process, machinery and materials. Partnering with a wide variety of artists from around the world, we offer a multicultural perspective with an extensive library of unique patterns and an unparalleled process—helping clients enhance their overall vision. No matter where in the world our carpets roll out, they capture attention and add the finishing touch to spaces and stories.

# Flatwoven carpets

Flatwoven carpets are one of the most trendy products available today, using combinations of both natural wool, flax and jute.

We have a selection of flatwoven products on offer, many available in rug also, all from stock. Edging is done with natural materials such as matching yarn or borders in cotton.

# Craftsmanship

Traditional craftsmanship from generations is combined with our modern production methods and enables our current generation of weavers to produce high-quality carpet.
